| 1    | Information Gathering | 1. Collaborate with individual, family, provider, and other team members to coordinate a date, time, and location for the Annual Review Meeting.  
2. Distribute invitations to team members at least 30 calendars days before Annual Review meeting is held. File copies.  
3. Coordinate information gathering & assessment activity which may include gathering assessment results.  
4. Pull ISP utilization report. | None | It is recommended that the provider:  
1. Work with SC to schedule the Annual Review Meeting.  
2. Send the individual's provider assessments to the SC. The provider assessments include information such as: medical visits over the course of the previous year, behavioral support plan, and lifetime medical history. | It is recommended that the individual and/or family work with the SC to schedule the Annual Review meeting, determine meeting dates, times, and location. |
|      | ISP Meeting | 1. Facilitate Annual Review meeting with individual/family/team members to update plan.  
2. Request unit/dollar Fiscal Year service definition limitation exception if needed.  
3. Discuss and incorporate the information from PA Universal Summary Report into the ISP  
4. Incorporate Annual Review meeting results into ISP  
5. Review & update PUNS if needed  
6. Discuss Participant Direct Services (PDS) if the individual is eligible for services  
7. Complete ISP Signature Form (DP 1032) | 1. Attend/participate in Annual Review meeting (optional).  
2. Inquire during meeting whether any units of service exceed FY limitations detailed in the Service Definitions. | 1. Attend and participate in Annual Review ISP meeting.  
2. Be prepared to provide procedure codes associated with the needed services.  
3. Ensure FY exception limitations are approved by ODP prior to delivery of service.  
4. Be prepared to discuss prior authorization and service needs for upcoming year. | 1. Attend/participate in Annual Review ISP meeting.  
2. Select services based on need & select service delivery model that supports ISP outcomes  
3. Choose providers and/or FMS/AWC providers if services eligible |
| 2    | Documentation | 1. Create Annual ISP draft in HCSIS  
2. Record information gathered at meeting.  
3. Update PUNS in HCSIS if needed  
4. Submit Annual Plan for approval.  
5. Revise and resubmit for approval.  
* SCOs may have procedures unique to their organization as long as they comply with Chapter 51. | 1. Review/Approve/Authorize ISP in HCSIS or request revisions & approve/authorize once completed.  
2. Notify SC when ISP is approved & authorized.  
3. Notify providers that HCSIS authorizations are available.  
* AEs may have procedures unique to their organization. | 1. Review Service Authorization Notices (SANs) in HCSIS.  
2. Before rendering a service, confirm services discussed at the meeting are present on the Service Authorization Notices. | None |
|      | Submit For Approval | 1. Complete at least 30 calendar days prior to the end date of the ISP.  
2. Submit ISP final draft to the Administrative Entity for approval.  
3. Submit documentation to Administrative Entity for review.  
* AEs may have procedures unique to their organization. |  |  | |
|      | Revise and Resubmit | 1. Complete within 7 calendar days of the date the ISP was returned for revision.  
* SCOs may have procedures unique to their organization as long as they comply with Chapter 51. |  |  | |
|      | Approval and Financial Authorization |  |  |  | |
