The Department of Health and Human Services regulation implementing this requirement can be found at 42 CFR § 455.410.

Claims submitted by Midwives must include the NPI of a MA enrolled ordering or prescribing provider only when billing an outpatient drug claim.

IMPORTANT INFORMATION FOR CMS-1500 CLAIM FORM COMPLETION

Note #1: If you are submitting handwritten claim forms you must use **blue** or **black** ink.

Note #2: **Font Sizes** — Because of limited field size, either of the following type faces and sizes are recommended for form completion:

- **Times New Roman, 10 point**
- **Arial, 10 Point**

Other fonts may be used, but ensure that all data will fit into the fields, or the claim may not process correctly.

EPSDT Screens

Providers billing for complete Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) screens may bill using the CMS-1500 invoice or electronically, using the 837P format.

Providers choosing to bill for EPSDT screens via the CMS-1500 invoice must bill using all of the individual age-appropriate procedure codes, including immunizations, for a complete screen. Please consult the **Pennsylvania Children's Checkup (EPSDT) Program Periodicity Schedule and Coding Matrix** as well as the **Recommended Childhood Immunization Schedule** for screening eligibility information and the services required to bill for a complete EPSDT Screen.

Note: The **Periodicity Schedule** and the **Immunization Schedules** are updated *periodically*. Please use the most recent schedules when providing EPSDT screens.

Please review the instructions in the billing guide for the following blocks when submitting an invoice for a complete EPSDT screen:

- Block 10d (Claim codes (Designated by NUCC);
- Block 21 (Diagnosis or Nature of Illness or Injury)
- Block 24H (EPSDT/Family Plan).

Non-Emergency Transportation - Mileage

Providers submitting claims for mileage reimbursement for services performed in the beneficiary's home, a Skilled Nursing Facility and Nursing Facility must first indicate on the claim form the procedure code for the service performed for the beneficiary, and then indicate the procedure code for mileage reimbursement.

When providing services to more than one beneficiary at a single location, the mileage reimbursement procedure code may only be indicated on one beneficiary's claim form submitted for that location. The mileage reimbursement procedure code may not be included on the claim form for each beneficiary who was seen at that specific location.
