

# Increasing access to high-quality services

DHS is committed to health care that fits people's needs, a shift in thinking about value over volume for health care providers, and high-quality providers of child care and education programs.

**The Medicaid expansion  
had reached 518,038 people  
as of January 1, 2016.**

## STATE UNINSURED RATE

IN 2013

IN 2015

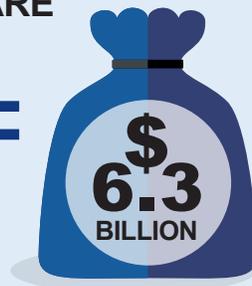

## IMPROVING ACCESS TO FOOD

- Eliminated SNAP asset test
- Simplified form for seniors

## SHIFTING FROM VOLUME-BASED TO VALUE-BASED CARE
