

## Pennsylvania Child Care Serious Injury and Child Fatality Report

The Child Care and Development Block Grant (CCDBG) Act of 2014 requires states to make available by electronic means, easily accessible provider-specific information showing results of monitoring and inspection reports, as well as the number of deaths and serious injuries that occur in child care settings each year. Information regarding provider specific monitoring and inspection can be viewed at [www.findchildcare.pa.gov](http://www.findchildcare.pa.gov). Information is posted for every certified child care facility related to licensing visits and information regarding the program's participation in Pennsylvania's quality rating and improvement system, Keystone STARS.

The Office of Child Development and Early Learning (OCDEL), the administrator for CCDBG in Pennsylvania will make serious injury and child fatality information available to parents and other stakeholders on a monthly and annual basis.

Information regarding serious injury and child fatality is published at <http://www.dhs.pa.gov/citizens/childcareearlylearning/index.htm>.
