Compliance Standard 12:	#DIV/0!	<b>Summary of Eligibility Accuracy</b>	
		Accuracy of Eligibility Being Determined Correctly for All Cases Reviewed: <b>#DIV/0!</b>	
<p><b>The Compliance Standard Assessments</b> are derived from the total number of each standard error reviewed divided by the number of cases reviewed. The rating result is based on the established criteria: Error Rate of 20% or less = Commendable, Error Rate of 21% to 40% = Satisfactory, Error Rate of greater than 40% = Needs Improvement</p>		<p><b>The Overall Compliance Rating</b> is derived from the total number of error elements identified in all cases divided by the total number of elements reviewed for all cases. The rating result is based on the established criteria:                      Error Rate of 20% or less = Commendable, Error Rate of 21% to 40% = Satisfactory, Error Rate of greater than 40% = Needs Improvement</p> <p><b>The Payment Error Rate</b> equals the percentage of errors which is derived from the total error amounts divided by the total amount of authorized payments for the cases reviewed.</p>
