Provider Instructions:

Before completing this application, access the Income Eligibility Verification System (IEVS) using the client’s date of birth and Social Security number to determine if the client is already receiving benefits. If they are not receiving benefits, the department encourages medical facilities to take applications so that the facility will not bear expenses for medical care for which public funds are available. Delays in applications can mean delays in payments for medical services or total denial of payment. The following forms are needed to apply for medical assistance:

- PA 600 - Application for Benefits, including the Provider Addendum
- MA 314 - Eligibility Determination Form (for inpatient care only)

If the PA 600 (including the Provider Addendum, when needed) contains the necessary information and verification, the county assistance office (CAO) can determine eligibility for Medical Assistance (MA) and authorize either partial or full payment for medical services. If the PA 600 and Provider Addendum are not complete, the CAO will not be able to determine eligibility until the client is interviewed. This may delay payment or result in denial.

When there is a pregnant woman or child under the age of 21 in the household, the shorter application form, PA 600 HC - Application for Health Care Coverage, may be used.

Complete the application for MA benefits as follows:

1. Remove this page and complete the Provider Addendum on the reverse side.
2. Complete the “MEDICAL PROVIDER USE ONLY” section of the PA 600 Application for Benefits on page v. Give the remaining booklet to the applicant for completion of all information.
3. After the applicant has completed the booklet, review for completeness and have the applicant sign the affidavit on page 15.
4. The applicant’s signature must be witnessed by the provider or the provider’s employee.
5. Complete and attach the reverse of this page to the back of this booklet.

Who May Apply:

Anyone who wishes to apply for health care coverage must be given the opportunity to do so.

- When a person requests an application, he or she may request health care coverage for him/herself and other family members who wish to be included. The application is for all medical services covered under the MA program. For this reason, the application must contain information about the applicant and all other family members who wish to apply. In addition, the CAO may use income and resource information from other family members to compute eligibility.
  - Any person, agency or, institution may complete and/or submit an application form for health care coverage on behalf of the applicant. The applicant should, if at all possible, complete and sign the form. If someone else completes and signs the form, the application remains responsible for any fraudulent statements made on the application.
  - If another person signs for the applicant, enter the name and address of that person on the address line beneath the signature line.
  - An application for a deceased person will be accepted if the person died during the month of application or during the three calendar months before the month of application. A relative, friend, or official of the institution or agency which provided the service may complete and sign the application.

When Application Should Be Made:

When a person indicates that he/she wishes to apply for health care coverage, have the person immediately sign and date Page 1 and complete the PA 600. After the provider’s representative has reviewed the form for completeness, he/she will witness the client’s or representative’s signature on page 15. If the application is approved, MA coverage begins on the date of the signature on the front of the booklet. Payment may be available for a service given prior to this date, if the service was given in the month of application or during the three calendar months before the month of application. Delay in obtaining the applicant’s signature may cause the applicant to be liable for medical services that may have been covered by the MA program.

If you have any questions about the completion of the application form, phone 1-800-692-7462

Retroactive Coverage:

The department will pay for certain medical services provided up to three months before the calendar month of application if the applicant is eligible. If payment is being requested for medical services provided during this retroactive period, use the provider addendum to provide necessary information.

Verification:

Applications must have necessary verification of income, resources, medical expenses and any other information needed, or a CAO interview may be required before benefits can be authorized.

---

PA 600 Completion Checklist

If any sections are left blank or completed inaccurately, the county assistance office cannot immediately process the request for payment for medical services, and a face-to-face interview at the CAO may be necessary.

The application should include:

Family Safety: Information About Your Benefits and Domestic Violence

Domestic violence happens when someone in your life harms you. Abuse can be physical, sexual or emotional. It includes:

- Physically hurting you or your children
- Threatening or trying to hurt you, your children or your property
- Forcing you to have sex
- Sexually abusing your children
- Controlling where you go and who you see
- Not allowing you or your children to have food, clothing or medical care
- Keeping you from going to work or school
- Following or stalking you

If you are or have been a victim of domestic violence or are at risk of further violence, your caseworker can excuse you from requirements for cash assistance if domestic violence prevents you from complying. Sometimes people cannot safely follow welfare requirements because they fear that they or their children will be abused if they do so. These include:

- Support cooperation
- Time limits
- Work (RESET)
- Requirements that teen parents live at home
- Other requirements on a case-by-case basis
- Verification

If you need to be excused from welfare requirements because of domestic violence, tell your caseworker.

If you or your children are or have been victims of domestic violence, or are at risk of further violence, your caseworker can:

- Talk to you if you want to talk. You can ask to talk in private. Your caseworker and the staff will keep your personal information confidential. However, the law says that the Department of Human Services must report child abuse to the Children and Youth Agency.
- Help you find local programs where you can get counseling, safety planning, shelter, legal services and other help.
- Help you understand the rules for applying for cash assistance, and how they affect you if you apply. Certain TANF requirements may be waived based upon domestic violence.

For more information about crisis intervention, counseling, accompaniment to police, medical and court facilities, temporary emergency shelter, and prevention and education programs, call:

It is strongly recommended that you register with JobGateway to get started. You can register with JobGateway at www.jobgateway.pa.gov/.

**Absent relatives:** This section is for cash applicants.

If anyone is applying for a child who has parents not living in your home or if anyone applying has a spouse not living in your home, please answer these questions so that we can try to get support.

You do not need to fill out this section if providing this information or seeking support would put you or family members at risk of domestic violence or make it more difficult to escape domestic violence, or if your child was born as a result of rape or incest, or if you are considering adoption.

If it would be a problem for you to provide this information or seek support because of domestic violence, rape or incest or because you are considering putting a child up for adoption, check this box: ☐

**Important Note:** If you are applying for cash assistance, you must name the parents of any minor children and help the Domestic Relations Section (DRS) collect support by providing the information they need unless you have good cause. If you do not help the DRS by providing the information needed and do not have a good reason for not helping, any cash assistance amount for which you are approved will be lowered by at least 25 percent.

If approved for cash assistance, you must give the department and DRS the right to collect cash for you and others for whom you are applying. The law says that support rights will be assigned to the state if you accept cash assistance.

If support is paid for a child who gets cash assistance, the family may get some of the support in addition to the cash assistance grant.

Your Rights and Responsibilities
Read about your rights and responsibilities:

RIGHT TO NONDISCRIMINATION
This institution is prohibited from discriminating on the basis of race, color, national origin, disability, age, sex and in some cases religion or political beliefs.

The U.S. Department of Agriculture also prohibits discrimination based on race, color, national origin, sex, religious creed, disability, age, political beliefs or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027), found online at: http://www.ascr.usda.gov/complaint_filing_cust.html, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

(1) mail: U.S. Department of Agriculture
Office of the Assistant Secretary for Civil Rights
1400 Independence Avenue, SW
Washington, D.C. 20250-9410

(2) fax: (202) 690-7442; or

(3) email: program.intake@usda.gov

For any other information dealing with Supplemental Nutrition Assistance Program (SNAP) issues, persons should either contact the USDA SNAP Hotline Number at (800) 221-5689, which is also in Spanish or call the State Information/Hotline Numbers (click the link for a listing of hotline numbers by State); found online at: http://www.fns.usda.gov/snap/contact_info/hotlines.htm.

To file a complaint of discrimination regarding a program receiving Federal financial assistance through the U.S. Department of Health and Human Services (HHS), write: HHS Director, Office for Civil Rights, Room 515-F, 200 Independence Avenue, S.W., Washington, D.C. 20201 or call (202) 619-0403 (voice) or (800) 537-7597 (TTY).

This institution is an equal opportunity provider.

RIGHT TO CONFIDENTIALITY
We will keep your information private. It will only be used to decide which programs you may be eligible for. The county assistance office (CAO), when requested, must provide federal, state and local law enforcement officials with the address, Social Security number (SSN) and photograph (if available) of an individual who is fleeing to avoid prosecution, custody or confinement for a felony or violating probation or parole. Any person knowingly violating any of the rules and regulations of this department shall be guilty of a misdemeanor and, upon conviction shall be sentenced to pay a fine, not exceeding one hundred ($100) dollars, or to undergo imprisonment, not exceeding six months, or both (62 P.S. section 483).

RIGHT TO A WRITTEN NOTICE
We will give you a written notice explaining your benefits. If we deny, change, suspend or stop benefits, we will give you a written explanation of why. You have 30 days (90 days for Supplemental Nutrition Assistance Program (SNAP) benefits) from the mailing date of the notice to ask for a hearing.

RIGHT TO APPEAL
You have the right to ask for a Department of Human Services (DHS) hearing to appeal a decision if you believe it is unfair or incorrect, or if DHS fails to act on your application for benefits. You may file the appeal at the CAO. If you appeal, you may also request an agency conference before the hearing. If your appeal involves expedited SNAP benefits, you have the right to have this conference with a supervisor within two work days. At the hearing you may represent yourself, or someone else, such as a lawyer, friend or relative may represent you.

RIGHT TO CLAIM GOOD CAUSE
If you apply for cash or Medical Assistance benefits, the law requires you to cooperate with establishing paternity and seeking support. You may be excused from these requirements if you prove it may be dangerous for you and/or your children. This is known as good cause. Unless a good cause exemption is established, you will be required to meet employment and training requirements. You will also be required to meet semi-annual reporting requirements unless good cause is granted.

RIGHT TO CERTIFICATE OF CREDIBLE COVERAGE
Federal law limits when health coverage may be denied or limited for a pre-existing condition. If you enroll in a group health plan that excludes treatment for a condition you already had, you can be credited for the time you received Medical Assistance coverage. This may help you obtain coverage. Contact your caseworker to request this certificate.

RESPONSIBILITY TO PROVIDE INFORMATION
You must give true, correct and complete information. You must help in proving the information you give. Benefits may be denied if you fail to provide certain proof. If you cannot provide proof, you should ask the CAO to help you obtain it. If you are contacted by DHS or the Office of Inspector General, you must fully cooperate with those persons or investigators. If you are age 55 or over, or receiving Medical Assistance to pay for nursing facility services, home and community-based waiver services and any related hospital and prescription drug service, you may be required to repay the cost of these services from your probate estate. If you are applying for cash assistance, we may require you to sign an agreement to repay benefits that you, your spouse and your children have received.

RESPONSIBILITY TO PROVIDE SOCIAL SECURITY NUMBERS
For cash, health care and/or SNAP benefits, you must provide an SSN for each person for whom you are applying. If you do not have an SSN, you must apply for one. Not providing an SSN may result in not being able to receive benefits. For cash benefits, we may ask for an SSN for anyone whose income or resources may affect your eligibility or the amount of benefits. Your SSN will be used for identity, for computer matches which verify income and resources, and to prevent duplication of state and federal benefits. An alien who is applying for emergency MA only is not required to provide an SSN. (42 U.S.C. 1320b-7)

RESPONSIBILITY TO USE THE PA ACCESS CARD LAWFULLY
Once you are eligible for benefits, you will be issued a PA ACCESS card. This card may only be used for the person who is eligible and only during the eligibility period. You may only use the card for services that are needed and reasonable.

RESPONSIBILITY TO REPORT CHANGES
If you qualify for benefits, you will be required to report changes in your circumstances to your caseworker or to the Customer Service Center. Types of changes reported would include people leaving or moving into the house, a new address, a new job for someone, if someone loses a job, birth of a child, new sources of income or changes to income. Your caseworker and notices you receive will cover the specifics in detail based on the programs and benefits you are eligible for. Failure to report required changes within the program guidelines could result in a loss of benefits, sanctions, or civil or criminal charges. You may report changes to the CAO in person, by phone, fax, mail or through a COMPASS account. You may also report changes to the Customer Service Center at 1-877-395-8930, or for Philadelphia, 1-215-560-7226 any time.

RESPONSIBILITY TO SEARCH FOR JOBS
If you are applying for cash assistance, you must provide proof that you are searching for at least 3 jobs per week during the application process, unless you have verified good cause or proof that you are exempt from this responsibility.

- I understand that I can designate an authorized representative by completing the Authorized Representative section and submitting it with this application.
- I understand and agree that I am responsible for any fraudulent statements made on this application, even if the application is being submitted by someone acting on my behalf.

The county assistance office (CAO), when requested, must provide federal, state and local law enforcement officials with the address, Social Security number (SSN) and photograph (if available) of an individual who is fleeing to avoid prosecution, custody or confinement for a felony or violating probation or parole. Any person knowingly violating any of the rules and regulations of this department shall be guilty of a misdemeanor and, upon conviction shall be sentenced to pay a fine, not exceeding one hundred ($100) dollars, or to undergo imprisonment, not exceeding six months, or both (62 P.S. section 483).

RIGHT TO APPEAL
You have the right to ask for a Department of Human Services (DHS) hearing to appeal a decision if you believe it is unfair or incorrect, or if DHS fails to act on your application for benefits. If your appeal involves expedited SNAP benefits, you have the right to have this conference with a supervisor within two work days. At the hearing you may represent yourself, or someone else, such as a lawyer, friend or relative may represent you.

RIGHT TO CLAIM GOOD CAUSE
If you apply for cash or Medical Assistance benefits, the law requires you to cooperate with establishing paternity and seeking support. You may be excused from these requirements if you prove it may be dangerous for you and/or your children. This is known as good cause. Unless a good cause exemption is established, you will be required to meet employment and training requirements. You will also be required to meet semi-annual reporting requirements unless good cause is granted.

RIGHT TO CERTIFICATE OF CREDITSABLE COVERAGE
Federal law limits when health coverage may be denied or limited for a pre-existing condition. If you enroll in a group health plan that excludes treatment for a condition you already had, you can be credited for the time you received Medical Assistance coverage. This may help you obtain coverage. Contact your caseworker to request this certificate.

RESPONSIBILITY TO PROVIDE INFORMATION
You must give true, correct and complete information. You must help in proving the information you give. Benefits may be denied if you fail to provide certain proof. If you cannot provide proof, you should ask the CAO to help you obtain it. If you are contacted by DHS or the Office of Inspector General, you must fully cooperate with those persons or investigators. If you are age 55 or older and receive Medical Assistance to pay for nursing facility services, home and community-based waiver services and any related hospital and prescription drug service, you may be required to repay the cost of these services from your probate estate. If you are applying for cash assistance, we may require you to sign an agreement to repay benefits that you, your spouse and your children have received.

RESPONSIBILITY TO PROVIDE SOCIAL SECURITY NUMBERS
For cash, health care and/or SNAP benefits, you must provide an SSN for each person for whom you are applying. If you do not have an SSN, you must apply for one. Not providing an SSN may result in not being able to receive benefits. For cash benefits, we may ask for an SSN for anyone whose income or resources may affect your eligibility or the amount of benefits. Your SSN will be used for identity, for computer matches which verify income and resources, and to prevent duplication of state and federal benefits. An alien who is applying for emergency MA only is not required to provide an SSN. (42 U.S.C. 1320b-7)

RESPONSIBILITY TO USE THE PA ACCESS CARD LAWFULLY
Once you are eligible for benefits, you will be issued a PA ACCESS card. This card may only be used for the person who is eligible and only during the eligibility period. You may only use the card for services that are needed and reasonable.

RESPONSIBILITY TO REPORT CHANGES
If you qualify for benefits, you will be required to report changes in your circumstances to your caseworker or to the Customer Service Center. Types of changes reported would include people leaving or moving into the house, a new address, a new job for someone, if someone loses a job, birth of a child, new sources of income or changes to income. Your caseworker and notices you receive will cover the specifics in detail based on the programs and benefits you are eligible for. Failure to report required changes within the program guidelines could result in a loss of benefits, sanctions, or civil or criminal charges. You may report changes to the CAO in person, by phone, fax, mail or through a COMPASS account. You may also report changes to the Customer Service Center at 1-877-395-8930, or for Philadelphia, 1-215-560-7226 any time.

RESPONSIBILITY TO SEARCH FOR WORK
If you are applying for cash assistance, you must provide proof that you are searching for at least 3 jobs per week during the application process, unless you have verified good cause or proof that you are exempt from this responsibility.

PRIVACY ACT STATEMENT
(i) The collection of this information, including the social security number (SSN) of each household member, is authorized under the Food Stamp Act of 1977, as amended, 7 U.S.C. 2011-2036. The information will be used to determine whether your household is eligible or continues to be eligible to participate in the SNAP Program. We will verify this information through computer matching programs. This information will also be used to monitor compliance with program regulations and for program management.

(ii) This information may be disclosed to other Federal and State agencies for official examination, and to law enforcement officials for the purpose of apprehending persons fleeing to avoid the law.

(iii) If a SNAP claim arises against your household, the information on this application, including all SSNs, may be referred to Federal and State agencies, as well as private claims collection agencies, for claims collection action.

(iv) Providing the requested information, including the SSN of each household member, is voluntary. However, failure to provide an SSN will result in the denial of SNAP benefits to each individual failing to provide an SSN. Any SSNs provided will be used and disclosed in the same manner as SSNs of eligible household members.

Understanding Your Rights and Responsibilities

When I sign this form:

- I understand that Pennsylvania receives information from the Income Eligibility Verification System (IEVS) and other state and federal agencies to verify the information I give them. Information available through IEVS will be requested, used and may be verified through collateral contact when discrepancies are found by the State agency, and that such information may affect the household’s eligibility and level of benefits. If I misrepresent, hide or withhold facts which may affect my eligibility for benefits, I may be required to repay my benefits and I may be prosecuted and disqualified from receiving certain future benefits.

- I understand that I can designate an authorized representative by completing the Authorized Representative section and submitting it with this application.

- I understand and agree that I am responsible for any fraudulent statements made on this application, even if the application is being submitted by someone acting on my behalf.

- I received a copy of my rights and responsibilities, have read them or someone has read them to me, and I understand them.

- I understand that the information entered in this application will be kept confidential and used only to administer benefits. I authorize the release of personal, financial and medical information for the purpose of determining eligibility.

- I understand that any changes I am required to report must be reported within the first 10 days of the month following the month of change.

- I understand that I will receive a written notice explaining the benefits. If benefits are denied, changed, suspended or stopped, the written notice will explain why.

- I understand that I will have 30 days (90 days for SNAP (food stamp) benefits) from the date of the notice to request a hearing if I do not agree with the decision made on this application.

- I understand that my situation is subject to verification from employers, financial sources and other third parties.

- I understand that applicants must provide their Social Security number or apply for one if they do not have one. This number may be used to check the information on this application.

- I understand that I must use the Electronic Benefit Transfer (EBT) or the PA ACCESS Card only for the person who is eligible and may get only the benefits that are needed and reasonable.

- I understand that I may not use TANF funds issued through my PA ACCESS card to make EBT transactions in liquor stores, casinos (gambling casinos, gaming establishments), or places for adult entertainment.

- I understand that I do not have to provide a Social Security number for anyone who is not applying for assistance. If I do provide their Social Security number, it may be used to check the information on this application.

- I certify that all information that has been entered is true under penalty of perjury.

- I understand that I have the right to a certificate of creditable coverage to verify my medical coverage. Federal law limits when health care coverage may be denied or limited for a pre-existing condition. If I enroll in a group health plan that has a pre-existing condition clause, I can get credit for the time I received Medical Assistance.

- I understand that if I am determined eligible for Medical Assistance, I will be placed in the most comprehensive health care package that is available to me.

- If I receive cash benefits, I will cooperate with the requirements of the child support enforcement program as directed by the department. I give the department and the Domestic Relations Section the right to pursue and collect cash and/or medical support for me and others for whom I am applying.

- I understand that if I report or provide proof of the household expenses, I will get the maximum amount of SNAP (food stamp) benefits allowed. Failure to report or provide proof of the household expenses will be regarded as my statement that I do not want to receive a deduction for the unreported or unproved expense. (Authority: United States Department of Agriculture, Food and Nutrition Service, Mid-Atlantic Region, Administrative Notice 6-99, issued January 4, 1999).

- I understand that I have the right to receive credit for the household expenses at the time I report and provide proof of them at any time during my SNAP (food stamps) certification period.

- I understand that I have the right to ask the county assistance office (CAO) for assistance in getting proof of expenses and that the CAO can contact other people for confirmation if I am having trouble getting proof of anything.

- I understand that if some or all of the individuals applying do not qualify for health care, they may be eligible for CHIP. If this is the case, I authorize the Department of Human Services to give my name and information on this application to the insurance department or the CHIP contractor.

- I understand that if some or all of the individuals applying do not qualify for health care, that they may be eligible for federal benefits and/or explore private health care options through the Health Insurance Marketplace. If this is the case, I authorize the department to give my name and information on this application to the Marketplace.

- **Renewal of coverage in future years:** To make it easier to determine my eligibility for help paying for health coverage in future years, I agree to allow the Health Insurance Marketplace to use my income data, including information from tax returns. The Marketplace will send me a notice, let me make any changes, and I can opt out at any time.

**Yes, renew my eligibility automatically for the next:**
